■ **Junior Kumon Math:** (3 years old - Kindergarten) Learning numbers, writing numbers, recognizing patterns of dots (sets of 5), counting numbers beyond 220 - 1000, understanding basic addition. No limit to curriculum. Students are able to progress at individual pace through entire Kumon math curriculum.

\$100 registration/materials fee

■ **Kumon Reading:** (Elementary-High School) A balanced program representing the best documented practices in reading instruction. It covers skills from understanding the sounds that make up words to the summary and critique of complex reading passages. *Good* writing and speaking skills are fostered as a natural outgrowth of the curriculum. Students at every level read daily. Emphasis also includes phonics, vocabulary building, grammar and punctuation and reading comprehension.

\$100 registration/materials fee

■ **Kumon Math:** (Elementary-High School) A comprehensive program that develops the necessary skills to help a student progress from counting to college level calculus. Mastery learning in the early levels develops quick mental calculations for a strong foundation in algebra through calculus. **\$100 registration/materials fee**

ENROLLMENT PACKAGES

■ 6-month Starter Package - **\$700** + registration and materials fee/per program

■ 12-month Discounted Package - **\$1400** + registration and materials fee/per program

TERMS OF ENROLLMENT

■ The enrollment package and applicable fees are due at enrollment following placement testing and parent orientation.

■ **EFT auto-charge** or auto-draft installment payments (**\$130/mo**) may be available upon request if unable to provide payment in full at enrollment. **Additional \$10 processing fee.**

■ Enrollment packages are nonrefundable regardless of attendance.

■ A 30 day advance written notice of extended absence is required to pause enrollment for a given calendar month. Absences are strongly discouraged during the first 12 months of enrollment as it may interfere with progress and program success.

■ After the initial enrollment package expires, reenrollment is not required. Continuous enrollment is assumed and continues as desired or until program completion.

■ ***A written notice with a minimum 30 day advance payment is required to withdraw. A notice of intent to withdraw does not remove the obligation to complete payment in full of the initial enrollment package and/or account balance.*** Should one desire admission at a Later date, one must reapply and will be bound by the current enrollment package rate and policies that govern at that time.

■ Parent grading of all assignment is required. If you choose not to grade, **an additional charge of \$15** will be applied to your account.

■ It is the parents' responsibility to ensure that the child is completing all assigned work on a regular basis. Parent should know when the work is not done as they should be grading the assignments.

■ Please choose ONE PRIMARY ATTANCE DAY!! **MONDAY TUESDAY THURSDAY** on this day your child will receive all work for the week. You may attend all three days or only two if you choose.

STUDENT APPOINTMENTS

■ ***Kumon center visits are scheduled by appointment.*** Please call us if student will be absent.

■ A student's standing appointment remains the same year-round or until a change is needed.
